

SHARE THE MESSAGE

- Send the docuseries to your tribe through social media and email
- Set-up Farmer's Footprint screenings in local community centers, schools, workplaces, health food stores, churches, etc.
- Tell your friends and family about the Farmer's Footprint movement

VOTE WITH YOUR DOLLAR

- Buy local and non-GMO food
- Give a one time donation to Farmer's Footprint
- Ask for donations to Farmer's Footprint instead of birthday gifts

ACT LOCALLY

- Plant a garden with seeds from your local farmers
- Attend town hall meetings with representatives to voice concerns and ask questions
- Reach out to representatives (local, state, federal) to catalyze local change
 - Use Farmer's Footprint | Non Toxic Neighborhoods tools for change for support

PARTNER WITH OUR MISSION

- Become a recurring donor to Farmer's Footprint to help educate and transform lives
- Support the Soil Health Academy agriculture cooperative which educates farmers on implementing regenerative practices
